

Find the best solution for you with our Rewards Summary Matrix

Instant Rewards

Ongoing Rewards

What applies to you?

Express Rewards for Immediate Needs

Are you scratching your head about how to deliver exciting rewards to your employees or customers? Did you run an incentive program yourself and simply need a way to deliver the award efficiently and economically?

A Cumulative Point System for Ongoing Award Issuance

Do you need a turn-key, point-based incentive management system that gives your company the power to host your own company-branded incentive, recognition or loyalty program online?

Relevancy

- Single, immediate need for issuing awards
- Years of Service
- On-the-Spot Awards
- Birthdays
- Milestones Completed
- Survey Completion
- Corporate Holiday Gift Giving
- Replacement for single-merchant gift cards
- Webinar Participation
- Wellness Participation Reward
- Training Completion

- You have an ongoing need for issuing awards multiple times to the same group of people.
- You want to provide an ongoing point program for employee recognition, customer loyalty, or sales incentives.
- You need the ability to reload participant accounts with points in one centralized area.
- You would like participants to be able to bank their points and redeem for something right away or save them up for a better reward.
- You would like to consolidate all your existing programs and combine them into one centralized system.

Reward Redemption Options

Online Colossal Award Catalog featuring millions of rewards which are assigned a point value, and include brand-name merchandise, world-class travel, event tickets, merchant gift cards and charitable donations.

Online Colossal Award Catalog featuring millions of rewards which are assigned a point value, and include brand-name merchandise, world-class travel, event tickets, merchant gift cards and charitable donations.
